

Delaware Emergency Management Agency

Course Description

COURSE CODE/TITLE	MGT-404	Sports and Special Events Incident Management	
COURSE LOCATION	Clayton Fire Hall 300 East Street Clayton, DE 19938		
COURSE DATES	June 30 - July 1, 2020	COURSE TIME	0800-1600
COURSE DESCRIPTION	This course emphasizes the unique aspects of response to an incident occurring during a sports/special event, including considerations for business continuity and after-action activities. You will learn the skills necessary to effectively manage an incident by applying and implementing a multi-disciplinary management team approach as described in the National Incident Management System (NIMS). The course is designed to help develop athletic department staff, facility management personnel, campus public safety personnel, emergency response supervisors, and others involved in sports/special event management to better manage incidents that could occur during an event.		
COURSE OBJECTIVES	<ul style="list-style-type: none">• Identify event management stakeholders and partner relationships as they relate to sports and special events management.• Identify potential risks to sports and special events and develop mitigation strategies that could lessen or alleviate the impacts of the risks.• Examine the event planning process and identify event planning considerations, including the importance of event planning and developing and implementing an event action plan.• Identify the essential elements of and steps involved in transitioning from event operations to an incident.• Identify the importance of recovery issues after an incident and partnerships in event/incident closeout, hot washes, after action review and reporting, and corrective action planning and implementation.• Apply incident management, planning, and resource management techniques as they relate to an incident that occurs within a special event or in a sports venue within a multi-agency, multi-discipline response scenario.		
PREREQUISITES	Recommended training: AWR-167 Sport Event Risk Management and IS-200 Basic Incident Command System for Initial Response (Can be found online) Students must register and bring a copy of their SID number to class.
